## FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized to make subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall empower to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in each case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than 3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

SUPPLEMENT TO

# The Calcutta Gazette.

Published by Authority.

WEDNESDAY, MARCH 23, 1836.

GENERAL DEPARTMENT, THE 26TH JUNE 1822.

**A**LL Public Officers of Government sending Advertisements in the *Calcutta Gazette* for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

**NOTICE** is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the

party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

## NOTICE.

### Civil Service Annuity Fund.

We the undersigned, in conformity with the 25th Section of the Regulations, give notice, that a Special General Meeting will be held at the Town Hall at Ten A. M., on Saturday, the 7th May next, for the purpose of taking into consideration the expediency of forwarding, for the approval of the Honorable Court of Directors, the annexed proposed new Rule, in substitution of Section 26 of the present Rules, which Section appears to make no distinction between cases of great and of minor importance, by requiring that "all questions proposed at a General Meeting, whether Annual or Special, shall be determined by a majority of three-fourths of the Members, who may either be present at such General Meeting, or vote thereat by Proxy."

J. Pattle.	R. Martin.
T. Plowden.	C. C. Hyde.
G. J. Siddons.	G. A. Bushby.
H. M. Parker.	H. M. Pigeon.
Ross D. Mangles.	H. T. Oldfield.
J. H. Young.	C. W. Smith.

### NEW RULE PROPOSED TO BE SUBSTITUTED FOR RULE 26.

All questions proposed at a General Meeting, whether Annual or Special, not involving any increase or diminution of the rate of Subscriptions, nor any essential addition to, or alteration in, the Original Rules and Principles of the Institution, shall be determined by a majority of the Members, who may either be actually present at such General Meeting, or vote thereat by Proxy, provided always that the concurrent voices of nine Members at least, actually present, shall be requisite to determine upon any question whatever; but no question proposed involving any increase or diminution of the rate of Subscriptions, or any essential addition to, or alteration in, the Original Rules and

Principles of the Institution, shall be carried unless supported by a majority of three-fourths of the Members voting thereon; and upon all such questions as those last specified, all Subscribers in India, who may not be able to attend the Meeting in person, shall be allowed to deliver their sentiments and votes by a written communication, to be signed by them, and to be addressed to the Chairman of the Meeting; provided always, that no decision upon such question shall be valid, or have any effect, until sanctioned and approved by the Court of Directors of the East India Company, to whom all parties, considering themselves aggrieved by such decision, shall have a right of appeal, and the decision of the Court of Directors shall, in all cases, be final.

### CIVIL SERVICE ANNUITY FUND.

*At a Special General Meeting of Subscribers to the Civil Service Annuity Fund, held pursuant to notice at the Town Hall at 11 A. M., on Saturday, the 19th March, 1836.*

Mr. Pattle as the Chairman of the Committee, having opened the Meeting by reading the notice convening it, Mr. C. W. Smith, at that Gentleman's suggestion, was unanimously called to the Chair.

It was proposed by Mr. W. R. Young, and seconded by Mr. R. Houstoun, that the Minutes of the Managers relative to the appointment of the Secretary be read.

This proposition being opposed by Mr. Parker and Mr. Prinsep, Mr. Young's motion was put from the Chair and lost.

Mr. Morley then moved, and was seconded by Mr. Oakes, that the appointment of Mr. McClintock to the Office of Secretary to the Civil Annuity Fund, be confirmed.

It was thereupon moved as a preliminary Resolution by Mr. Prinsep, that as it was impossible to obtain the votes of three-fourths of the Subscribers, either for the confirmation or rejection of the appointment, the question be determined by a mere majority of votes.

Mr. Taylor moved as a necessary preliminary to the original motion, that Mr. Trower's right to vote in the Committee of Management be in the first instance settled by the Meeting, as unless Mr. Trower had a right to vote, no appointment had taken place. Mr. Siddons seconded Mr. Taylor's motion, which being put from the Chair, was carried by a large majority.

Mr. Morley's original motion was then put to the vote by the Chairman, and upon a division and scrutiny, the votes were found to be as follow:

For confirming the appointment of Mr. McClintock, present 20, proxies 117, total 137.

Against confirming the appointment present 20, proxies 101, total 121.

The following Resolution was then moved by Mr. R. D. Mangles, and seconded by Mr. Bushby, "That the Managers having unanimously referred the matter of Mr. McClintock's election to this Meeting, and it having been proposed by Mr. Morley, and seconded by Mr. Oakes, that the appointment of Mr. McClintock be confirmed, and it appearing on a division upon that question, that three-fourths of the Subscribers present or voting by proxy, are not in favor of confirmation (the numbers being ayes 137 and noes 211.) Resolved, that the Secretaryship be declared vacant."

Upon this, an Amendment was proposed by Mr. W. H. Maenaghten to the following effect, and seconded by Mr. Reid: "That as the notice according to which the present Meeting is convened, contains no distinct proposition, and as by the Rules of our Fund, a majority of three-fourths of the Subscribers is required to determine any question, the present Meeting be adjourned; and that the following distinct proposition be put to the Service at large."

That the appointment of Mr. McClintock as Secretary to the Annuity Fund, made in the first instance by "a majority (of which Mr. Trower a Non-Subscribing Manager, was one) be set aside, and that Mr. J. P. Grant be elected Secretary in his room."

This Amendment being put from the Chair, and negatived by the whole Meeting, Mr. Mangles' original motion was put, when the votes were found to be as follows :

For the motion present.....	21
General proxies.....	67
	88
Against the motion present..	13
	75

The Chairman having left the Chair, a vote of thanks to him was proposed by Mr. Pattle for his able and impartial conduct in the Chair, which was carried unanimously, after which the Meeting was dissolved.

C. W. SMITH, Chairman.

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advances, Bills of Exchange are to be drawn in triplicate, six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the

party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited to amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

## FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than 2s per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whatsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

#### CUSTOMS.

**NOTICE** is hereby given, under Orders from Government and from the Board of Customs, dated the 2d and 9th Instant, respectively, that no Duplicate or Additional Copies of Documents issued from this Office can be granted, except upon payment of a Fee of Five Rupees for each, to be placed ☐ Credit of the Government. But Duplicate or Additional Copies of Documents of which the originals (stated to have been lost or mislaid) might eventually be used to the prejudice of Revenue, here or elsewhere, will on no account be granted.

11th June, 1834.

G. J. SIDDONS, Collector.

#### CUSTOM HOUSE NOTICES.

**TO** protect from IMPOSITION such Persons as are strangers in Calcutta, and who employ Natives to transact Business for them at this Office, it is notified, that for every sum taken, as Government Customs or Duty, a receipted Bill is given under the signature of the Collector, or of his Deputy, or ☐ Covenanted Assistant.

**CLEARANCES**, whether Inward or Outward, can be given only in **REGULAR TRAM**, and it is for Commanders, or others on their part, to see that their Applications be duly noted with the date and hour of receipt by the Supervisors respectively. Applications for Outward Clearance (or Export Manifests) cannot ☐ received, unless accompanied by Certificates of Inward Clearance, and it is required that such Applications be presented at least *Five complete days* previously to the date on which **PORT CLEARANCE** is desired, in order that time may be allowed for the adjustment of Export Cargoes; though it will be issued earlier if practicable.

**NO FEES** are taken for any **AFFIDAVITS** sworn to in this Office on the subject of Custom House Business; nor are any **FEES** whatever allowed to be taken by any Persons belonging to this Establishment, whether sitting within the Office, or stationed out of doors.

Importers of **GUNPOWDER**, are requested to refer to the Notification, by order of the Board of Customs, dated the 19th, and published in the Government Gazette of 23d January 1833.

The Proprietors of **DOCK YARDS**, and the **PUBLIC** at large, are requested ☐ take notice, that no Goods, nor Packages, are allowed to be **IMPORTED, EXPORTED, RE-LANDED, RE-SHIPED, TRANSHIPPED**, or removed from **VESSELS** to **SLOOPs** or **BOATS** after Shipment, without due sanction from this Office;—whether the same be liable to, or exempt from, **DUTY**. Attention is directed to Clause Seventh, Section XLV. to Sections LXI. LXIV. LXXIV. LXXXII. LXXXIII. & LXXXIV. of Regulation IX. 1810; and to Section III. of Regulation III. of 1830;—also to Clauses IV. and V. of the Government Notification of 29th June 1829, for Conditions of certain exemptions.—[40th March 1830.]

**GOODS** for **ONE VESSEL** taken to **ANOTHER**.—Notice ☐ hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the Forms of this Office, no Drawbacks, nor Certificates for other Free-pencils, will be granted. And if such Goods be seized in illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to **eventual confiscation** under Section 231. ~~Section 231. of the Customs Act, 1812.~~

IF GOODS which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for RE-LAND, and subsequent RE-EXPORT to the same Vessel, or to any other, or for regular Transshipment, every facility will, as usual, be afforded for such transactions.—[28th September 1832.]

**ROWANAHs for GOODS RE-LANDED.**—If Goods are Exported in full of Rowanahs then current; but are Re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as Fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications, (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as Fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portion of Goods being Re-landed, no such Certificates as those above described will be issued.—[24th February 1833.]

**BEER ROSS GHAT.**—Notice is hereby given, that for some years past, Beer Ross Ghat has ceased to be a Tide Water station, though an Officer is sent thither at a particular season of the year for purposes chiefly relating to certain Articles imported on board NATIVE VESSELS;—and that Parties who may desire to pass Goods at that Ghat will be required, if permission be granted, to pay for an Extra Tide Water, on condition understood and implied in their Application, upon the principle which is generally applicable to the passing of Goods elsewhere than at the Custom House.—[23d February 1833.]

**MAFFER ROWANAHs.**—All Persons concerned are requested to take notice of the subjoined Orders, as published in the Government Gazette of April 1831, otherwise the delay and inconvenience which may be experienced will rest upon themselves.

Samples of the Goods must be produced at this Office, and the No. and Date of Sea Import Register must be stated if possible. But by Order of the Board of Customs, dated 2d April 1833, to obtain Maffer Rowanahs for Goods of such sorts as are produced in this country, (and then are liable to Transit Duty) as well as Imported by Sea, either Sea Import No. and Date must be given, or whole Despatches must be produced for inspection at the Custom House;—otherwise Transit Duty will be charged.

All applications for MAFFER ROWANAHs, must communicate the following particulars.—1st. The general or common name of each variety, or quality of Goods.—2d. The quantity and value of each description.—3d. The sort of packages in which the Goods are contained, with the marks or directions upon them.—4th. The number of each sort of package.—[8th April 1833.]

**NOTICE** is hereby given, that from and after this date, the practice of Selling Government Salt by periodical Public Sales for the supply of the Markets of the interior, will be discontinued.

2. From and after the 1st July next, Salt will be sold by private sale, and at fixed prices, in quantities of not less than 250 Maunds,—any Salt taken in excess of Maunds 250, to be taken in even quantities of Maunds 50, or Maunds 100 each, as Maunds 300, Maunds 350, Maunds 400, Maunds 500, &c.

3. The Salt will be deliverable in the same manner and upon the same documents as at present from the several Ghauts and Golahs specified in the subjoined Schedule.

4. The price of each description of Salt deliverable at the several Ghauts and Golahs is specified in the subjoined Schedule.

5. Parties desirous to purchase Salt from any Ghaut or Golah must pay the price at the rate shown in the subjoined Schedule into the General Treasury, and upon the production of the Sub-Treasurer's Receipt for the amount at the Board of Customs, Salt and Opium, with a written application, stating the quantity of Salt required, and the Agency and Ghaut from whence it is deliverable, the applicant shall receive (provided there be in store at the Ghaut or Golah specified, the quantity of Salt applied for,) an order upon the Salt Agent, or Superintendent of the Salika Golahs, to deliver the quantity of Salt purchased, such order will be accompanied by the usual protective documents which will be negotiable as at present. In the event of more applications being received than there is Salt in store to answer, the preference will be given to the holders of the Sub-Treasurer's Receipts bearing the earliest numbers. If the Salt be not cleared within Three Months, from the date of the Board's order for delivery, Golah rent and wastage will be charged as at present, viz. at the rate of 1 Rupee per mensem for each 100 Maunds.

6. Government will make no reduction whatever in the price of any Salt stored at any Ghaut or Golah in the subjoined Schedule, without giving Two Months previous notice.

7. All notices in regard to any reduction in the price of Salt sold from Government Golahs, will be inserted in the *Calcutta Gazette*, and copies will be appended at all Government Ghaut and Golah Stations from which Salt is deliverable; also, at the Board's Office, and in the Cutcherries of all Salt Agents and Superintendents of Salt Chokeys.

8. Government do not contemplate the necessity of renewing the system of Public Sales, but should a recurrence in that system become indispensable, Six Months notice of the same will be given, and the notice will specify the exact price per Hundred Maunds at which each description of Salt will be offered for Public Sale after the expiration of Six Months from the date of such notice.

9. All the Provisions of the Salt Regulations are equally applicable to Salt purchased under this Notification, as to Salt heretofore purchased at the Public Sales.

10. The above Conditions are not to be considered as in any wise precluding the Re-sale by Public Auction, and for the enforcement of Conditions of Sale of the Salt purchased at the Public Sales prior to the 1st March 1836, which will be put up for Sale as usual, if the Deposits, or if the price bid for the same remains unpaid.

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.

SATURDAY, APRIL 9, 1836.

FORT WILLIAM,  
FINANCIAL DEPARTMENT, THE 27TH OCT. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandise consigned to England, covered by Bills of Exchange, to be drawn, payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable in the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or deficiency be made with the Consignor himself by

the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than 2½ per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a more valuable description, such as Silk and Indigo.
